

DAYTON SCHOOL DISTRICT #8

Community Eligibility Provision

Dear Parent or Guardian:

We are pleased to inform you that **Dayton School District** will implement a new option available to schools participating in the National School Lunch and School Breakfast Programs called the Community Eligibility Provision (CEP) for School Year 2015-2016.

What does this mean for you and your children? Great news for you and your children!

All enrolled students of

Dayton School District

are eligible to receive a healthy breakfast and lunch at school at **no charge** to your household each day of the **2017 -2018** school year. No further action is required of you. Your children will be able to participate in these meal programs without having to pay for meals or submit an application.

If you have children that attend schools outside our school district that are not participating in CEP, your household may still need to fill out a confidential meal application or pay for meals in that district.

If you have questions, please contact your Food Service Office.

If we can be of any further assistance, please contact us at Pam Johnson.

Sincerely,

Pam Johnson
